SENATE HOUSE

ALLAHABAD 20/3/ 19 50

22 MAR 1950

My dear Sir Krishnan,

The Executive Council has asked me to find out if Dr. Kichlu of Delhi University is a Physicist of outstanding abilities and fit enough to become the successor of Dr, M.N.Saha and yourself at this University. I shall be obliged if you could kindly give me your ⁿfrak opinion which I shall treat as Confidential. Dr Saha who was invited as an expert held the view that in ability and research experience he is far above Dr. R.N.Ghosh who is at present officiating as Professor, in this University. Can you possibly suggest some ^{other} names whom you consider fit to occupy this post? Thanks awfully.

Yours sincerely,

D.R. Bhatnagar
