Government of India.

Department of Education, Health and Lands.

Simla, the 8th May, 1940.

Dear Professor Saha,

Please refer to your letter dated the 6th April, 1940, regarding Dr. K. S. Krishnan. I regret that it is not possible to give any additional grant to the Indian Association for the Cultivation of Science during the current financial year. The matter may, however, be raised again in connection with the budget estimates for 1941-42 and I suggest that the proposals of the Association may be submitted to the Government of India by the 1st September, 1940, together with information on the following points :-

- (1) Actual income and expenditure of the Association during the years 1938 and 1939 and estimated income and expenditure for 1940.
- (2) New scale of pay proposed to be given to Dr. Krishnan.

Yours sincerely,

Sd/- John Sargent,

Educational Commissioner.
