

Indra  
13-3-47

My dear Krishnan, your letter.

I received your reply to my  
last letter; when I received  
your present letter as I  
thought that Ramu  
had left for Drimili's place  
as arranged I wrote to him  
to <sup>see</sup> ~~write to~~ <sup>write to</sup> you. but now I am told  
that Ramu did not leave  
as arranged but is yet here.  
I shall soon see him &  
write to you.

Before you left for the  
continent last year, I wrote  
to you proposing to get my  
daughter Kousalya  
married to your son. I  
think that you remember  
Kousalya; you people  
know her well & I don't  
think that I need write  
about her. She is aged 14  
& if possible I would like  
to marry her this year.  
I did not hear from you  
about it; probably the

letter which have received  
your advice; what I  
may be, please reply me  
early in consultation  
with your family, both  
myself & my dear  
Widow for a few years  
after the marriage &  
the consummation  
might be had later  
with convenience. If  
you agree we can have  
the marriage performed  
before you leave  
for Paris. Please reply  
me early.

When you go here, I hope  
you would stop with me  
as long as possible.

Yours  
V. Achalu

My Dear Krishnan,

OK

Your kind reply. I have been making enquiries to get the boy fixed up decently in some place but I have not been able to do so. Hence the delay in replying to you.

I wanted him to take to cost Accounting but here there is no place where cost accounting is taught. In Tatas, Imperial Tobaccos, Imperial Chemical Industries and in similar concerns I am told that they are taking covenanted Assistants. Please try to get him fixed up in any one of the concerns as a covenanted assistant. I hope that with your influence you can get it done easily. Of course, it may involve some inconvenience and trouble for you, but I hope you won't mind in the case of my boy.

If Rajah Sir Muthiah Chettiar Mills he can have him appointed as a probation officer in the State Bank on Harvey Mills, Madurai or in the Indian Bank. You know what is best for him. On hearing from you I shall do the needful as suggested by you.

Yours affectionately,

V. Achalu Iyengar

Sir K.S. Krishnan, F.R.S.  
Director, National Physical Laboratory of India
