Dear Dr. Swaminathan :

I am writing to express on behalf of my colleagues and my own personal behalf our deep sense of gratitude to you for having found time to participate in our Annual Program Meeting on April 10, 1989 and to educate us on important development preoccupations in key sectors in India. The contributions made by you at this meeting are proving to be of immense help in developing our work plans for our future activities. I shall endeavour to keep you informed of our activities as they evolve in the course of the year.

I thank you once again for your extreme kindness at having addressed our program meeting.

With warm regards.

Yours sincerely,
