Respected Sir,

usu
13 MAR 1959

kindly permit me to express my gratitude to you
you have been very kind to nominate my name to the
for election to the Fellowship of the Institute of Physics,
London. I have received intimation that their board
has elected me to the Fellowship. It is all due to your
help and good wishes and I am very grateful to you.
I shall strive to work hard and do my best to preserve the
dignity of the membership of the Institute.

I seek your blessings.

yours respectfully
