THANK
YOU!

Dear Carl D'Silva!

Thank you so much for your time & guidance; and for helping me see the mistakes in my works. For letting me stay at your home, I am grateful! You were wonderful hosts!

This has been the best interaction for me as a growing Wildlife artist. I will try my best to adhere to all your feedback and comments; & shall strive to do my very best!

I just returned from Kalimpong. This postcard is by the botanical illustrator I met at Kalimpong - Hemlata Pradhan. I enjoyed a wonderful stay & some excellent birding!

I wish to keep in touch & shall keep you posted on the progress of my works!

With the warmest regards,

Sangeetha Kadur
