Dear Mr. Venkatasubbiah,

Thank you for yours of the 8th instant, and also the ~~x~~ copy of the "Structural basis of Indian Economy".

I shall try and look through the work and see how far it would be of help to the Sub-Committee you mention. I cannot promise at this stage whether you would be taken up on that Sub-Committee. But, as you know, the entire work of the National Planning Committee is for the time being in cold storage, and so it is not possible to take any such steps with reference to any sub-committee. I shall bear it in mind though when the ~~time~~ right time comes.

Yours sincerely,

H. J. Shah
