

SIR SHRI RAM

22, CURZON ROAD,

NEW DELHI 24th January, 1950.

*6 months
personal*

My dear Dr. Krishnan,

Please accept my belated but most sincere and hearty congratulations for the success of your function but more than anything else for your speech. Quite frankly, there were only two speeches that I liked and that others with whom I had a talk liked. They were Yours and Bernal's.

Some day at leisure I will come alone and go round with you in your Laboratory

With kindest regards,

Yours sincerely,

Shri Ram

Dr. K.S. Krishnan,
Director,
National Physical Laboratories,
70, Sujjan Singh Park,
New Delhi.
