

Anand Bhawan - 30.1.46

Dear Dr. Krishna,

I wonder if  
you are free this evening  
and could come and  
have dinner with us.

My father would like you  
to meet the Sorenson  
and Major Wyatt, who  
are staying with us.

Yours sincerely,  
Indira Gandhi

PRIME MINISTER'S HOUSE,  
NEW DELHI.

June 30. 1949

Dear D. Krishnan.

Here is your son's  
autograph book complete with my father's  
and my signatures.

Thank you for showing  
us around your new laboratory. What  
a wonderful project it is! You are  
justly proud of it. It will be a  
fitting place for your work and  
one where you will justify the  
pride that we feel in you and  
your work. How I wish India had

had more men of your calibre — so  
few great men have also your goodness  
and humility.

I am told that you like  
quite close to us. If your children  
would like to play in our garden  
or come to swim in our pool, they  
will always be welcome — and they  
can come whenever they like and as  
often as they wish.

With all good wishes,

Ludie Pandhi
