

High Court:

Allahabad, January 18., 1948.

My dear Professor,

This is to present to you Mr. Kameshwar Nath Srivastava, B.Sc., of the **Metallurgy** Department of the Banaras Hindu University.

I am keenly interested in him and I have watched his career with interest for the last 15 years. He has done well. Will you be so good as to give this young man at the threshold of his career a helping hand with your usual generosity towards the youth of our country? I do not say anything definite to you because you know so much more than I do. For our part we think of Tatas, but there are so many Government schemes and you may suggest to him anyone of them.

With kindest regards,

Yours sincerely,

*Sankar Saran*
