Dear Dr. Varma:

We have all been concerned about you and your family due to what we have been hearing on the news. I told Dr. Horton that I would drop you a note to wish you and your family a Merry Christmas and a Happy New Year from all of us. Everything is fine here. Dr. Robson, Daughney, Medley, Phillips, and myself have moved to the new building and are settling in here. It is very nice and we have so much more room that it really is delightful.

My baby now weighs 16-6, is 25-1/4 long and is 4 months old. He is a happy big healthy boy and of course is the delight of our lives. I hope your family is well and happy give them all of our best. We all miss you here so do try to come for a visit if at all possible sometime.

Sincerely,

(Mrs.) Loretta Gahagan
