Dear Professor Krishna,

I am exceedingly sorry to be absent at the time of your visit in Brussels. I shall leave within a few days for the U.S. But you can stay at the Club of the Fondation Universitaire, 11 rue d'Égmont (near Porte de Namur) just as you like. I have reserved a room for you from Sept. 15th to 17th; you can stay longer if you wish.

It has been a great pleasure to meet you in England. I would have ^{been} pleased to show somewhat of Louvain (as it is now!). Hoping to be able to meet you some time in India. I am

yours very sincerely

Chas. Manneback.
