Dated the Dec. 20, 1977

Dear Dr. Murty,

There are a number of research projects being carried out at different Institutes under the Council with the financial support from IAEA, Vienna. A list of such projects is sent herewith.

2. It has been decided to make a critical review of these projects as to how long these should continue. Dr. Sukhdev Singh, DDG(CS) has desired that you may get copies of the latest reports of the projects from the Institutes and send your recommendations to the Council as early as possible.

With kind regards,

Yours sincerely,

*(S. P. Tuli)*
