Dear Professor Krishnan,

Sir S. Radha Krishnan told me that you were so kind as to agree to extend your hospitality to Dewan Bahadur S. Krishnaswami Aiyengar during his intended visit to Calcutta in December next in connection with the Indian Historical Records Commission. I would have personally seen you and offered my thanks but I had a bad attack of influenza and had to leave Calcutta on account of urgent business here. I shall write to Dewan Bahadur S. Krishnaswami Aiyengar that he will be your guest and I am very grateful to you for kindly offering to accommodate ^{an} ~~this~~ old member of the Commission.

Yours sincerely,
