Dear Professor Madhava Rao,

I write on behalf of my colleagues and myself to invite you to be an Associate Member of the Centre for Theoretical Studies for a year. We hope you will continue your association with us and contribute to our seminars and other academic activities as you have been doing in the past.

This letter ought to have been written to you some weeks ago; I apologise for the delay.

We shall be happy to support your participation in any one Conference, Seminar or Symposium in the country that you may wish to attend during the year as a representative from Centre for Theoretical Studies.

With very best regards,

Yours sincerely,

(N. MUKUNDA)
