Dear Sir,

I was very pleased to receive your e-mail dated 21.10.03, and to know of your interest about the Ornithology of the Indian region.
As regards the paper on the history of the Genoa Museum ornithological collections, I am enclosing here a copy for you. I am also adding some other papers of mine which might also be interesting : the type catalogue of the birds in Genoa Mus. (in photocopy, with a separatum of the Addenda) and other lists regarding Indian ornithology.
Wishing you all the best for your work and studies,

warmest regards
carlo violani
