CENTRE OF ADVANCED STUDY IN MARINE BIOLOGY
ANNAMALAI UNIVERSITY

Prof. R.V. Seshaiya,

PORTO-NOVO
S. INDIA.

Date 9--9--'69.

Director.

Dear Prof. Madhava Rao,

Mrs. Mirsky who is the Librarian of the Rockefeller Institute, is greatly interested in the life and work of Ramanujam. She is, I understand, an accomplished mathematician. (I am a friend of the Mirsky family. Dr. Mirsky, her husband is a very distinguished biologist). She has written to me for suggestions regarding sources of information about Ramanujam. She is gathering material for a book. I have suggested that she may write to you. She will write to you. May be she will come to India, after visiting Cambridge.

With kind regards,

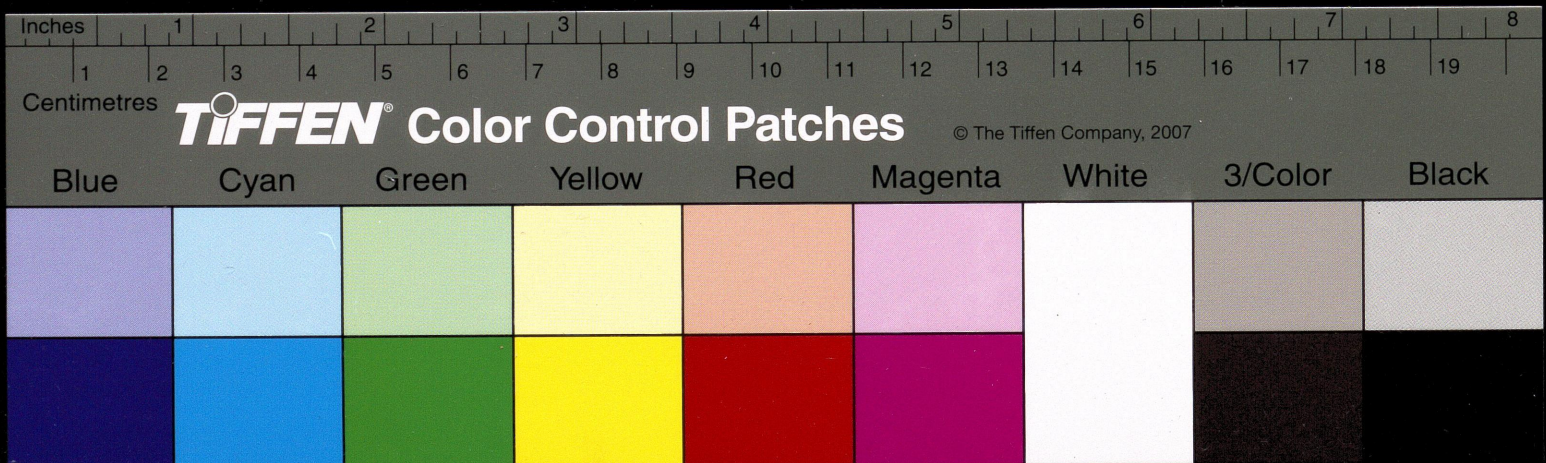

Yours sincerely,

R. V. Seshaiya.
