Mahendralal Sircar Professor of Physics

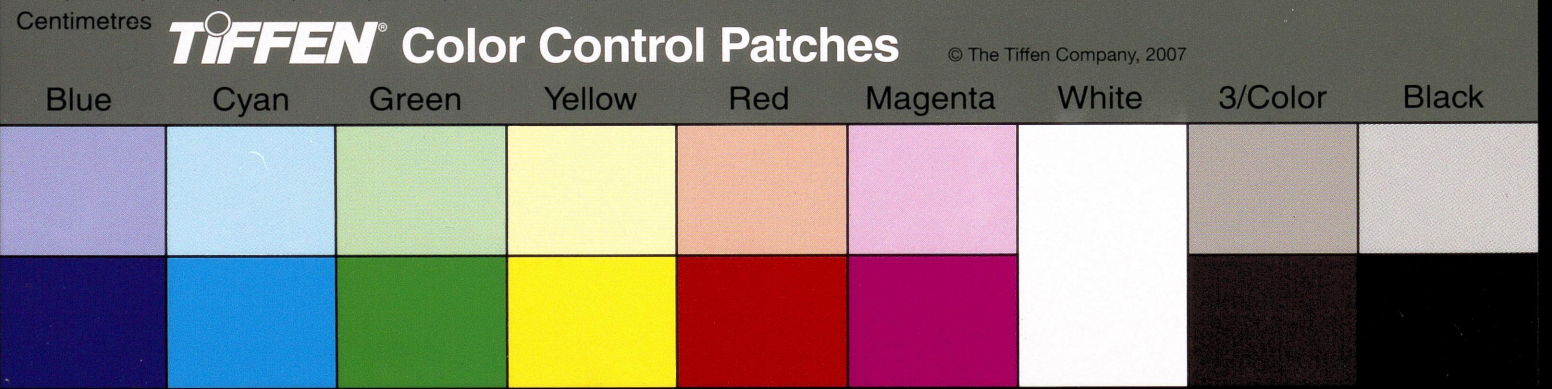

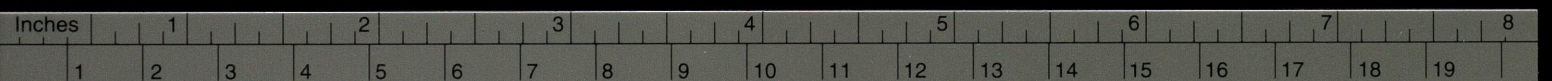

210, BOWBAZAR STREET,
CALCUTTA.

10th February, 1937.

My dear Professor Madhava Rao,

I am very sorry for the delay in replying to your letter. I shall be leaving for Europe early next week, and the preparations took a much longer time than I expected.

1. There is no restriction regarding the date for sending the thesis.
2. yes. you are right about the certificates from two Doctors of Science, but they have to be Doctors of the Calcutta Univ. I did not take my degree from Cal., so that I am not eligible to ~~that~~ propose. I think you can get Professor Raman and one other

D. Sc. of Calcutta residence in Bangalore 15
sign the formal certificate.

3. The application and the fees have to be
sent to the Controller of Examinations.

I am sure the Calcutta Univ
will soon have the honour of claiming
you as one of its Doctors.

With kindest regards

yours very sincerely

W. K. Vishwanath
