Very soon, by the end of June 1986,  
I shall be retiring from my Directorship  
of Ramanujan Institute.

Of my service in Mysore University  
(March 1948 — Dec. 1957) plus the deputation  
to Moscow University (1958—1962) were to be  
ignored, my service in Madras University  
(1967—1986) would entitle me to a far too  
meagre pension. I will have to do something  
but, as yet, there is no concrete plan.

With respectful regards,

Yours sincerely

S. Bhambhani
