My dear Dr Swaminathan,

Thank you for your letter dated 30th March
1979.

I am sure your very long and fruitful association with the ICAR will be remembered by the entire scientific community in the country. It is gratifying to note that though you are leaving ICAR your services will still be available to the country as Secretary (Agriculture) to the Government of India. Please accept my hearty congratulations on your promotion.

With best wishes,

Yours sincerely
H.N. Sethna
