Dear Dr. Swaminathan,

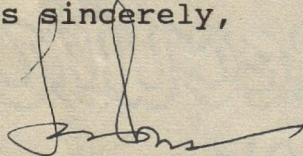

On the occasion of Birth Centenary of Pandit Jawaharlal Nehru, the Indian Science Congress Association has instituted Jawaharlal Nehru Birth Centenary Awards in 1989-90. Two such lectures will be held every year; one in Calcutta and the other in a University or institution outside Calcutta. The lectures are intended in furtherance of the objectives of the Association. The Award carries an amount of Rs.10,000/-. The awardee is required to deliver a lecture during the award giving ceremony.

I have great pleasure in informing you, on behalf of ISCA, that you have been honoured with the Jawaharlal Nehru Birth Centenary Award for 1992-93. The date and venue of the lecture will be decided on the basis of our mutual convenience. You may kindly suggest your convenience regarding the venue and time.

On behalf of the Association let me take this opportunity to convey my heartiest congratulations to you and request you to give your acceptance of the Award and to deliver one lecture. ISCA will be glad to meet your TA/DA as per its norms.

With warm personal regards,

Yours sincerely,

(S.Z. Qasim)
