Dr. D. Singh,
Director.

Dear Dr. Murthy,

You might be perhaps aware that in 1971 we are going to complete 25 years' of conducting regular training courses in Agricultural Statistics at this Institute. It is proposed to celebrate this happy occasion by organising a Silver Jubilee week at this Institute sometime in March, 1971. On that occasion we also propose to bring out a Special Volume of contributed papers by old students of the Institute as well as other Scientists and Statisticians who are taking interest in the activities of the Institute.

I shall be very happy, if you could kindly contribute a research or a review or expository article of your interest to the said volume. I hope you will kindly accede to this request of mine. The paper, in duplicate, may kindly be sent so as to reach me by the end of December, 1970.

A line in reply indicating the title of the proposed paper may kindly be sent at your earliest convenience.

With best regards,

Yours sincerely,

D. Singh
