Dear Mrs. Hensen,

This is in continuation of my telephonic conversation of 6th instant.

I am thankful to you for giving me permission to attend the XI International Genetic Congress at the Hague, which I did and returned to Groningen on the midnight of Tuesday the 10th. Before approaching you I had obtained permission from Prof. Jonxis to attend this congress who felt that it would be of great advantage to me. Although the registration fee as a full member was DG. 120.00, to economize the expenditure, I enrolled as a student member by paying only DG. 25.00. This gave me all the advantages of the deliberations except a few social events.

I must say that this has given me excellent opportunity of attending a series of symposia and talks and meeting and discussing subjects of mutual interests with top-most geneticists of various countries.

As kindly agreed by you I shall submit a bill for the expenses which would include my stay for five days in the Hague; 2nd class train fare to and fro and the cost of the abstract of the papers (DG. 5.00) besides the registration fee. I shall submit the necessary vouchers as far as possible. Please let me know whether you would like me to send you a supplementary bill now or include this in the one I would, in the ordinary course, submit for subsistence allowance.

Thanking once again and with kind regards,

Yours sincerely,

P.K.SUKUMARAN.

Dear Mrs. Hensen,

I came to your office on August 1st on my way to Groningen. Unfortunately you were away on leave. However, Mr. Juta gave me guidance and help and fixed me up.

As per his instruction I am sending you the enclosed travel claim (4 copies) which I hope is in order. I have placed an order for some books and shall send you the relevant receipts when they are received.

Thanking you and with kind regards,

Yours sincerely,

P.K. Sukumaran.

Dear Mrs. Hensen,

This is just to thank you for affording me an opportunity to meet and have your acquaintance and also to get myself introduced to my countryman Mr. De.

I very much appreciate your kindness in enquiring about my welfare here and your various suggestions to make my stay interesting here. Needless to say that it was extremely nice of you to invite me for lunch and I thoroughly enjoyed the same.

I enclose the form (yellow) duly signed for the amount (Dfl 468.--) received by me by money order. Please instruct your office that my address is as given above and not

as mentioned by them.

Thanking you once again and with kind regards,

Dear Mrs. Hensen,

I am enclosing my travel claim (4 copies)
for the month of September, 1963.

As I have not heard from you so far in
connection with my letter to you of 16th inst.,
I have taken the liberty of including the regi-
stration fee and the cost of the abstract of
the proceedings I spent in connection with the
Genetic Congress along with my train fare and
supplementary allowance for four nights in the
Hague. I do hope this is in order.

I thank you for affording this opportunity
to attend this congress.

With kind regards,

Yours sincerely,
