Dear Ravi,

I am terribly sorry for the delay in replying to your very kind, affectionate and stimulating letter of 7th February. One of the reasons for the delay was that I had hopes of writing a lengthy reply trying to answer at least some of the points raised by you. But I have had to give up that idea: I am in a terrible rat race living from lecture to lecture and meeting to meeting. If you are coming to Delhi in the near future we could meet and have a long chat.

I have enjoyed your article. I am happy to know that you have a lively and informed interest in Sociology.

Do keep in touch. With love from us all,

Yours *ever*
