Dear Sir,

I understand that the Council of Scientific and Industrial Research is selecting candidates for the award of scholarships for foreign study. Yourself being one of the potent figures in that department, I now write to you about Mr. S. Alaga Raja, Junior Engineer, P.W.D., Karur, who is one among the applicants for the same. He has applied on 26-1-1955. He has a first class engineering degree as required and the necessary age and experience. He is an intelligent person and deserves encouragement, and is related to me. Before being selected, he is to be called for an interview by the Council. I am sure he will prove worthy if selected and I request you to do the needful in the matter.

With kind regards,

Yours sincerely,

(P.A.C. RAMASAMY RAJA)
