u
Revered and Holy Athman,

I adore Thee really. I pray for forbearance of this intrusion.

1. As Secretary of the Royal Proclamation Jubilee Celebration Committee in 1908, I learnt the rights and ~~liab~~ liabilities of citizens. So I engineered to give prominence to the Tamil Sangam in the Durbar. Sriman Pandithurai Thevar read the Proclamation in Tamil and commenced the Proceedings. The indication was that the Sangam agreed to abide by the Proclamation and the people should accept with pleasure.

2. In 1913, as Secretary of the Viceroy's Reception Committee, while I garlanded His Excellency Lord Hardinge of Penthurst, I obtained permission for a ten minutes longer stay and got introduced among others Sriman T.C.Srinivasa Ayyangar Swami on behalf of the Tamil Sangam.

3. I am a devotee of Senthamil much more of Sadagopan Than Thamil. I used to meet Srimath Thirunarayana Ayyangar Swami and prostrate before his mighty and maha Gyana Purusha.

4. I am fortunate to have talked to Sir Robert Carlyle, Member of the Viceroy's Council on co-operation during his incognito visit to Madurai. Sir Fredrick Paddisson, M.A., I.C.S. was Premier Volunteer of the Social Service League, which I am supposed ~~to~~ to have organised in 1915.

Now I had the rare honour of a ~~xxxx~~ blessing by your kind generous visit. I called to my mind certain questions, who were or are examples of the motto "Greatness lies in simplicity"? Sir T. Sadasiva Aiyar, Sri K. Srinivasa Aiyangar, Sri Nagamiah, of Trivandrum etc - I drew lessons from them and practise as far as possible.

5. Our Religion is in danger. Sir Henry Anderson, President of All Religious Conference in London in 1936 desired a sign from India to restore Religion to its greatness.

6. Sir, You are great in spiritual knowledge. You are great in science. You can prove to the world what scientists now achieve and exhibit are what our great Rishis accomplished long long ago and are stated in Puranas.

7. I am a No-changer. There is revolution in the world against Heredity in Religious and Domestic Life. The cosmopolitan dinners enforced by necessity in schools and colleges are the present ways to kill Dharma and Achara. I will submit more. My cries were on deaf ~~ears~~. Religion was made provincial and a transferred subject. Primary education is attempted to take away divine influence on the mind of children.

At the age of 81, what can I do? This revolution shall restore us to religious purity ~~and~~ at an early date. I ~~am~~ am submitting a pamphlet in book ~~post~~. I shall not trouble you with another letter. with apologies, Yours affectionately ^{and} obediently,

R. Narasimhan
