D.O.No.FT/IR-TU(3)/75.

Dear Dr. Subramanian,

Your letters dated 29.6.1975 and 26.6.1975 addressed to Sri. Kartarsingh, Administrative Officer, CFTRI, have been passed on to me for necessary action.

In this connection, I would like to inform you that we had received a cheque from the CSIR for Rs. 5,47,076-81 on State Bank of India, New Delhi, being the Royalty on Infant Food, for the period ~~from~~ 1968 to 1972. As a sum of about Rs. 700/- would be the bank commission for the realisation of the cheque, it was returned to CSIR by our Administrative Officer with a request to send a Demand Draft for the amount. We have <sup>also</sup> requested the CSIR to intimate the breakup of the amount.

As soon as we get the information, we shall intimate you the same.

With best wishes and kindest regards,

Yours Sincerely,

*M. Maiti*

7--7--75.

Shri S.C. Bhattacharya,  
Scientist,  
Industrial Research Consultancy & Extension,  
Central Food Technological Research Institute,  
MYSORE-570013.

Dear Dr. Bhattacharya,

Sub :- Payment of the share of the royalty due to  
the investigators in respect of the Baby  
Food process - Omission to send the break-  
up on year to year basis.

I am thankful to you for your D.O. FT/IR-TV(3)/75 dt.3/7/75.

I am rather disappointed to learn that the CSIR Head Office has not, till this date, sent any break-up for the amount on year to year basis. The original order as issued by the Chief, Tech. Utilization early in February 1975, had indicated only the percentages on the basis of which the distribution has to be made for each year. If the exact amount for each year is not given, it will naturally be impossible to make any distribution.

I am hoping that, on the basis of your request, the Chief, Tech. Utilization will kindly expedite the despatch of the break-up for the amount.

It will naturally be an act of consideration if the CSIR Head Office can kindly move the bank to issue a draft on Mysore for the amount. If I remember right, the CSIR office does not have to pay any commission on such drafts.

It is unfortunate that several unfortunate circumstance have been affliating the above subject for a number of years. Having reached the present stage, I am counting on the kind interest and assistance of the Chief of Tech. Utilization and also that of your office to see that the distributions are made at least before the end of this month.

Thanking you and with kind regards,

Yours sincerely,

(V. SUBRAHMANYAN)
