June 16.

My dear Sir Krishnan,

I am returning home, as upto ~~the~~ date I have not succeeded in arranging definitely for financial support for a stay in Cambridge for a further two years. I shall be informed sometime in July if I have succeeded in my last effort from the Camb. Univ. Research maintenance fund. I shall return to Cambridge in October in case I am lucky.

I shall be Delhi on the 27th June for a few days. I shall be ~~xx~~ deeply obliged if you kindly spare me a little of your time to see me.

Looking back on the last 3 years I found they have been the most fruitful of my life. I owe it all to Cambridge where, in turn, I owe to the kind interest you showed in me.

In case you are not due to be in Delhi then I shall be so grateful if you kindly let me know when you will be there. I shall make every effort to see you.

Yours sincerely,

T. P. Srivastava.
