

DEPARTMENT OF PHYSICS  
UNIVERSITY OF ALLAHABAD

5th Feb., 1955.

Respected Dr. Krishnan,

Sometime back I had the pleasure of sending a copy of 'Elements of Statistical Mechanics' to you through Dr. B. D. Saxena. I shall be extremely grateful if you will kindly find some time to write to me a few words expressing your opinion about the book. Anything from you will be of great help to me.

Yours faithfully,

B. K. Agarwal.
