No. 1958

Dear Sir,

Your letter in which you asking for some financial help for the trip to the International Symposium to be held in the USSR in August 1957 is under consideration now.

As soon as this question is settled we'll inform you of the results immediately.

With sincere regards,

D. Ter-Avanesyan

(Prof. D. Ter-Avanesyan)

Counsellor.

Prof. Dr, Krishna Bahadur,
Chemistry Department,
Allahabad University,
Allahabad.

INTERNATIONAL SYMPOSIUM ON THE ORIGIN OF LIFE

MOSCOW, 19-24 AUGUST 1957

1. PRIMARY FORMATION OF PRIMITIVE ORGANIC COMPOUNDS ON THE EARTH

1. Possible forms of carbon compounds on the primordial earth (from the point of view of planet cosmogony).
2. Carbon compounds on other planets.
3. Evolution of atmosphere and hydrosphere of the Earth
- ✓ 4. Geology and geochemistry of carbon compounds (the possibility of abiogenic formation of primitive organic compounds at present)

2. THE TRANSFORMATION OF PRIMARY ORGANIC COMPOUNDS IN THE LITHOSPHERE, ATMOSPHERE AND HYDROSPHERE OF THE EARTH.

1. Thermodynamic aspects of the transformation of organic
 - a) spontaneous reactions (temperature, catalysis)
 - b) energy of radioactive decay
 - c) electrical discharges
 - d) ultraviolet light
2. Asymmetric synthesis of organic compounds
3. Primary formation of carbohydrates
4. Formation of porphyrins
5. Formation of phospho-organic compounds, nucleotides and polynucleotides.
- ✓ 6. Formation of amino acids and polypeptides

3. PROTEINS, NUCLEOPROTEINS, ENZYMES.

- ✓ 1. The origin of proteins
2. The origin of nucleoproteins
3. The origin of enzymes

4. THE ORIGIN OF STRUCTURE AND METABOLISM

1. Stationary state of open systems
2. Coacervates

3. Catalytic complexes
4. Protoplasmic structures
5. The origin of metabolism and reproduction.

5. THE EVOLUTION OF METABOLISM

1. The evolution of anaerobic metabolism
2. The origin and evolution of photosynthesis
3. Chemosynthesis
4. Respiration
5. Nitrogen metabolism evolution
6. Viruses.

Dear Dr. ^Arishna Bahadur,

With reference to your letter of December, 8 1956
I am instructed to inform you that unfortunately
we have not received yet any reply from Moscow. As soon
as we get the definite reply we'll immediately inform
you of their decision.

Meanwhile we are writing another letter to Moscow
requesting to accelerate the decision on your matter.

With best regards,
V. Dmitriev

Москва, 4² " декабря 1956г.

Дорогой профессор Krishna Bahadur,

. Ваше письмо от 1-го декабря с.г. на имя академика Опарина нами получено.

Рад сообщить Вам, что академик Опарин в начале января 1957г. собирается выехать в Индию для участия во Всемирном научном конгрессе. Он очень надеется познакомиться там с Вами лично и обсудить все вопросы, связанные с Симпозиумом.

Секретарь Оргкомитета
Симпозиума

Доктор Г.А.ДЕВОРИН.

Moscow 21, December 1956.

Dear Prof. Bahadur,

Your letter dated 1st December written to acadamicixm
Oparin is received.

Glad to inform you that Academic Oparin will be leaving
Sovied for India to join the World Science Congress to be
held in January 1957. He is very much willing to meet you
personally there to discuss the questions connected to
Symposium.

Secretary ~~Organix~~
Symposium

~~Dr. G. A. DEBORIN~~

Dr. G. A. DEBORIN

Unofficial translation

Moscow, the 21st December, 1956

Dear Prof. Krishna Bahadur,

We have received your letter of the 1st December, addressed to Academician Oparin.

I am glad to inform you that Academician Oparin is going to leave for India in the beginning of January, 1957 to take part in the World scientific Congress. He is very hopeful to meet you personally and discuss with you all the questions, connected with the Symposium.

Dr. L. A. Deborin,

Secretary, Organizing,
Committee of the Symposium

"28" June 1957.

No. 986

Dear Mr. Bahadur,

Please refer to your letter of the 12th June, 1957.

According to the information received from the USSR Academy of Science the symposium "Origin of life" will be opened on the 19th August, 1957, at Moscow.

You may go by plane from Delhi to Tashkent via Kabul. The ticket may be booked through Mercury Travels Ltd. and the bill on the ticket should be sent to the Embassy.

Would you be so kind to inform us on the date of your departure.

Sincerely yours,

I. Khartchenko

" 9 " July, 1957.

No. 1009

Dear Sir,

With reference to your letter dated July 1st, 1957 I would like to inform you that we got in contact with Mercury Travels Ltd. in Delhi and asked them to write to you in connection with the booking of your air ticket to Tashkent via Kabul. Your journey from Allahabad to Delhi can be paid for by the Academy of Sciences of the USSR.

As to your wish to return from Moscow through Rome, Paris and London, you can raise the question on arrival in Moscow.

Yours sincerely,

I. Khartchenko
