Dear Dr. Rahmani,

As you are aware, the Narayan Sarovar Sanctuary has been denotified by the Gujarat Legislature. We had got the earlier denotification by the Government quashed through a Court Order of the Gujarat High Court. A Writ Petition challenging this resolution has to be filed at once by us. Kindly send me whatever reports, research papers and information you have concerning the sanctuary so that we can support our stand in the Writ Petition for protecting the Area. We will need specially the Flora and Fauna details, along with other relevant matters concerning the mangroves, water systems and the local people.

Your immediate action in this connection will be highly appreciated.

Thanking you,

Yours sincerely,

(Dr. Chhatrapati Singh)
