Dear brother,  
All are doing well here  
I hope your good self, family & children  
are all doing well by the grace of God.

You know my sister left two  
daughters of whom the eldest is married to  
Pattanam Prinjivasa Iyer's son Sri  
Vedantadesikan now post master at  
Periakulam. Their 2nd son Sri. V. A.  
Sampath passed his Intermediate in the  
1st class in April 1953, <sup>(with high marks in Physics.)</sup> and he is now  
under going L. C. C. course in the  
Polytechnic at Madurai.

Applications are called for the  
selection of the apprentices in Mechanical  
Engineering and transportation power  
department of the Superior Revenue  
Establishment of the Indian Railways,  
~~by the Superior Indian~~ ~~Department of~~  
Railways by the Secretary Indian Public  
Service Commission, 4th Floor House  
New Delhi as per notification no. C 53  
R-R 7-1 in the Gazette of India dated 16<sup>th</sup> May  
1953. Interview & examination for  
the selection of candidates is going to be  
held on the 19<sup>th</sup> August. My niece's son  
O. T. O.

Sri V. D. Sampath above mentioned  
has applied for the Selection.

If you can enlighten me on the  
point whether it is worthwhile for him  
to go over here for the Selection and if  
you think you will be in a position  
to guide him in getting through I will  
send the boy for the interview & examination  
you know how I am attached to my school's  
children & that I am their godfather. It  
will be really helping me if you will take  
some interest in the matter & see to the  
Selection of the boy. On receipt of your reply  
I shall do accordingly.

With great regards.

Yours very affly.  
S. Annath
