Dear M. S. Swaminathan,

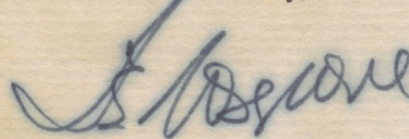

I really appreciate your interest in reading all the financial information that had been sent to you. I am just sorry that I haven't had the pleasure of meeting you yet and look forward to that in the near future.

As you will probably hear from your colleagues, this Board Meeting was extremely successful and particularly from my point of view, I very much appreciate the support accorded to me by the Board and I believe we have made some major strides at this meeting particularly with regard to incorporating The Global Hunger Project in Geneva.

I hope to come to India this year, and during my trip I will probably be visiting an old friend of mine Asanga Machwe who is the managing director of Wiley Eastern Limited publishers in New Delhi. Asanga recognized your name when I mentioned that I was joining The Hunger Project at some point or other perhaps during my visit, it would be nice for the three of us to meet.

Again many thanks for your interest.

Yours sincerely,

John Cosgrove
Chief Financial Officer
