

To SRI Pandurang Hegde.

Dear Sir,

I hope you'd been surprised at receiving this letter from an unexpected quarter or more the less 'from nowhere'.

Without going into details I first would like to clear this air of unexpectedness. I, Praween Kavi, am a relative 'grandson' of Shri Sunder Lal Bahuguna. On his advice, he quoted me your address & thus it follows as such and this letter is a product of his advice.

Let me tell you something about myself. I am 19 yrs. 10 mths old & am a student of MSc (Prev.) Mathematics. I am also serving as correspondent of URJA (Energy journal) magazine, published from Delhi.

I wanted to give a detailed article report on the role of forests in Conservation of Nature & Energy. Thus I came into correspondence with Shri Bahuguna. However due to his tight schedule

Praween Kavi

he could not see me personally
& failed to provide any information.
He advised me to contact you.
I presume he had been in contact
with you recently when he was at
Karnataka a few weeks ago.

I read about 'forest conservation
in Karnataka' in the newspaper
& I hope you could help me in
preparing a report. Kindly try to
arrange as many details, statistics
& photographs if possible.

I end my letter with hopes
that I would be provided in-
formation about the person to whom
I have written this letter (implying
yourself) & on your ambitious
programme.

Good luck!

Yours faithfully

Prasen

Dear Sunita Pandey,

D.DN PIN: 248001
30 DEC 83

received your letter dated 22/12/83 a few days ago.

I am very glad that you've shown keen interest in my initiative. I however feel guilty of not letting you know my requirements prior to this letter. I enumerate them below.

You being involved in the 'APPIKO' movement (well, I came to know of it by newspaper articles) I would like you to write for me a first-hand detailed report on the conservation movement in your state. Statistical information & analysed

data about deforestation
ion & corresponding
erosion would help
me further. Kindly
to request you to
send me some photo-
graphs of the work
progress or anything
concerned with it.

With grateful thanks
I wish you a happy
new year. Waiting for
an early reply.

Yours

Praween
