Prof. Madhav,

Not much progress on the  
correlations front.

Enclosed are

- (i) Old printouts of correlations
- (ii) Brief note on accumulations  
& traps with communities.

Regards

Nrajendra

I regret, however, that I will not be able to attend the meeting.  
Over the last two weeks, I have given the matter considerable thought. I must confess that I was unable to come up with any revolutionary and constructive idea which could help in revitalizing the ~~the~~ <sup>two</sup> ~~members~~ <sup>of</sup> ~~the~~ journal.  
~~Since~~ I hold the ~~scientific~~ <sup>and</sup> ~~of~~ the editorial board of the journal in very high esteem, I would not like to ~~make~~ be presumptuous enough to make <sup>any</sup> suggestions regarding policy as well as implementation that are self-evident.
