Sir K. S. Krishnan, D. Sc. F. R. S.
Professor of Physics
University of Allahabad
Allahabad, India

My dear Sir Krishnan:

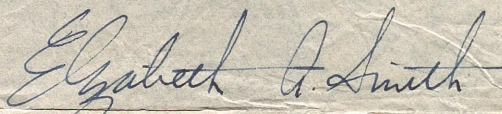

Your letter of June 5th addressed to Dean Kirk in regard to Mr. Kharbanda has just arrived. Dean Kirk is on vacation at present and so I take the liberty of replying to you.

We are looking forward to having Mr. Kharbanda with us in the fall. I have just written him a letter to be used in getting foreign exchange.

A number of students from India took degrees this June. They were all a great credit both to us and to India.

I am sure that Dr. Kirk will read your note with interest and that he would wish me to send you his kind regards.

Very truly yours,

Elizabeth A. Smith
Secretary of the Graduate School

My dear Sir Krishnan:

Mr. Swami Mikhilananda telephoned this office today to inquire how he might reach you. He is going to write you a letter in my care. He gave his address as 17 East 94th Street. His telephone number is ATwater 9-1710. He asked me to give you this information in case I should see you before his letter could reach you.

I hope that you have enjoyed your visit to New England. It is usually bleak but beautiful at this time of year.

Very truly yours,

Elizabeth A. Smith
Secretary of the Graduate School
