17 June 1989

Dear *Ivan*,

I am happy to inform you that on the occasion of the Third General Conference of the Third World Academy of Sciences (TWAS) scheduled to be held at Bogotá in Colombia during 16 - 20 October 1989, we are organizing a Workshop for Policy Makers on "Environment and Development - The Science and Technology Implications of the Brundtland Commission's Report". I enclose the provisional programme for the Workshop which is expected to be attended by several Ministers of Science and Technology from developing countries, in addition to professional experts.

I shall be very grateful if you would be kind enough to give a suitable grant to TWAS for meeting the travel and living expenses of the invited speakers whose names and addresses are given in the enclosed list. We shall be happy to provide any other information you may need for processing this request.

Thanking you and with warm regards.

Yours sincerely,

M.S. Swaminathan
Council Member
