Dear Dr. Joshi,

I hope you might have already received the final circular and invitation to attend the National Symposium from 17th to 19th February, 1999 by now. I am extremely sorry to inform you that due to some unforeseen and unavoidable circumstances, probably already known to you, the Organising Committee is compelled to revise the symposium dates from April 21st to 23rd, 1999. However, the final programme remains the same. Inconvenience caused is very greatly regretted.

With best regards,

Yours sincerely,

(R.B. Singh)
