Bombay, 1st December, 1960.

Dear Dr. Krishnan,

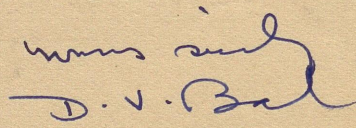

This is just to confirm our telephonic conversation to-day, and to say that I am highly obliged to you for accepting our invitation for being the Chief Guest of our Annual Social Gathering to be held on 22nd and 23rd December, 1960, and to address our students. I take it for granted that you will be with us on Thursday the 22nd December evening, by about 5 P.M. onwards. I am, therefore, fixing up the programme for that day and issuing invitations to guests.

I shall be in Delhi on the 8th and 9th of December and shall continue my stay on the 10th for the specific purpose of finalizing the report of Hon. Visitors' to the Institute as agreed in our telephonic conversation. I shall contact you on plane when I reach Delhi and accordingly meet you in your office on the 10th.

I have further to request you to give me when I meet you in Delhi, your portrait photograph suitable for enlargement. We have with us photographs of other distinguished Hon. Visitors, and would like to have yours.

Once again I thank you very much for accepting our invitation.

With kindest regards,

(Dr. D.V. Bal).

Dr. Krishnan.
