My dear Professor,

I have not been favoured
with a reply to my previous letter.
Probably I should not have written
to you like that.

I can now take ~~3~~
months leave without much trouble
and can come and work in the
NPZ if you can provide me with
some problem to work. I prefer to work
on metals. It would be very
helpful if I can discuss with
you about this. If you want I
can come up to Delli as it is
extremely rarely that you come

to Rampur or Lucknow.

The post for which I have been officiating for the last 3 years has been advertised but it was a stab on my back when they have put as essential qualification 1st Class M.Sc. It appears that it is the mischief of Mr Mukherji and Dr Subramonian has promised to rectify it. Whether I get it or not I am not satisfied with the nature of work ^{here} and before I put on fat with age I want still to do some work.

I should be very
thankful for a reply.

Yours respectfully
W. J. John
