Dr. M.S. Swaminathan:

The establishment of the Indian Academy of Agricultural Sciences was agreed by several agricultural scientists at a meeting in January 1989 at Madurai. In continuation of this, Dr. B.P. Pal announced the establishment of this Academy on 5th April, 1989 during a National Symposium organised by the Federation of Indian Societies of Agricultural Sciences and Technology as a part of Nehru Centenary Celebrations. It is now proposed to hold a meeting of the following scientists to discuss a draft constitution and modelities for registration of the Academy. The proposed meeting will be held at 11.00 AM on 30th April, 1989 at the India International Centre. Dr.M.S.Swaminathan has kindly agreed to Chair the meeting. I shall be grateful if you kindly participate in the meeting. The meeting will be followed by a Lunch.

With best regards,

Yours sincerely,

(S.K. Sinha)
