Sir,

In continuation of my application for absorption in

any information so far.

Sir, I understand that some posts of Junior Scientific
Assistants are lying vacant in the Botanical Division under
the Director I.A.R.I. New Delhi. As I have worked in the
Botanical Division in the Sind Department of Agriculture
(W.Pakistan) and was also sent on deputation to I.C.C.C.
(Botanical Division), I request that my case may kindly be
favourably considered being an old employee of I.A.R.I.

Sir, As the notice expires on 14th August 1952, I request
that the Director I.A.R.I. New-Delhi may kindly be requested
to post me before the date of the expiry of notice.

For this above act of kindness, I shall ever-remain
grateful.

Yours faithfully,

The Agriculture Ministry u.o. file on the subject of
absorbing Messrs. Chellaramani & G. Sahani ^{J.S.A.} was sent
to the HdM/HdB/HdA for favour of remarks & has not
come back. As the case is very urgent this application
may perhaps be escalated to them for immediate remarks
regarding ~~the application~~ in a J.S.A. post (Hd A.
