March 20th, 1969

Dear Sir:

We have received four copies of galley proof of our article "Haemoglobin Polymorphism in Indian Zebu Cattle" for correction.

We find no indication from you whether one copy of the corrected proofs is to be returned to you direct or to Prof. D. D. Darlington as mentioned in journal "HEREDITY", and the rest retained with us. Please advise.

As there is no order form for off-prints received, we are not in a position to place our order. Kindly let us know how many off-prints will be available to us free of cost and the rate for additional off-prints. On hearing from you, we shall send an order for the number of reprints we require. Kindly treat this as URGENT.

Thanking you,

Yours sincerely,

P.K.S.
