Center for Theoretical Studies

Dear Prof. Vasu,

Subject :- Extension Lecture Programme

I write this to inform you that I have finished delivering 3 lectures under the above programme on "Number Curiosities" at the following institutions.

- (1) Kendriya Vidyalaya, 18th Cross Malleshwaram, Bangalore - on 19/1/76 at 3 P.M.
- (2) National College, Basavanagudi, Bangalore - 21/1/76 at 4.30 P.M.
- (3) Our Lady of Bon Secours Girls' High School, ~~Ambari~~
2 Campbell ~~From~~ Road, Ambari Town, Bangalore } - 31/1/76 at 12 noon.

The lectures were largely attended, and specially the younger pupils of the three institutions evinced keen interest in several of the ~~ex~~ striking and curious properties about numbers which I presented. The lectures served quite an useful purpose. I based all my lectures ~~on several~~ ^{notes based} ~~on several~~ ^{on several} topics I had noted down, but I have not made a complete fair ^{copies} ~~copy~~ of the lectures as such, since the content varied from institution to institution depending on the standards of the students ~~to~~ listening to the lectures.

I have incurred transport charges ^{for Ambari} as follows:-

- | | |
|---|---------|
| (1) My residence in Basavanagudi to Kendriya Vidyalaya & back | Rs 7.00 |
| (2) From Ambari to National College on 21/1/76 | Rs 3.50 |
| (3) From my residence to Campbell Road & back on 31/1/76 | Rs 6.50 |
| Total | 17.00 |

^{in my behalf} I also got made 6 slides at a cost of Rs 30/-, but due to lack of facilities for projecting the slides at all the three institutions, I could not make use of the slides. Therefore, I do not want to claim this expense.

Thank

Yours sincerely

B. S. M. Murthy
