Sri B.M.Subramanian is anxious to be entertained in your own Institute, which would give him better prospects and opportunities. So, please consider his case and help him by providing a place for him in your Institute.

I hope you are doing well.

Yours sincerely,

Dear Sri Krishnan;

yesterday you told me that you would come to Rajapalayam by 4.30 or 5 P.M. Tomorrow, and I came away in hurry without making suggestions to you.

I am eager that having programmed to visit our place you should visit some of the important industrial concerns there; namely, the Surgical Cotton Mills ~~the~~ which is the only one of its kind in our State, and also the wood screw factory which has been started recently. ✓ Sri P.A.E.

Ramaswami Raja is connected with both the concerns.

Further, it is also felt necessary

That you may be pleased to visit the Boys High School, run by Sri P. A. C. Ramaswami Raju. By visit by prominent personage like you and a short address to the students, say for 10 or 15 minutes, they will feel highly honoured and encouraged.

So in view of the above items of your visits, I would suggest to you ~~that~~ to make it convenient to arrive at Rajapalayam earlier, say, at by 3 or 3.30 P.M. tomorrow.

There will be no difficulty for you to locate my house; as it is situate at the junction between the Tenkasi Road and Sankarankoil Road in Rajapalayam.

After knowing from you your approval of my suggestions and of the time of your arrival here, I shall arrange the facilities and also Tea, suitably. Sri P. A. C. Ramaswami Raju has returned from Madras the is at Rajapalayam now.

Yours truly  
K. Srinivasulu
