My dear Sir,

I am enclosing copies of letters received from Dr Hutchisson, Director of the American Institute of Physics, New York, and from Dr Watson of the American Embassy, New Delhi. I am not sending you the copy of the reprint from PHYSICS TODAY, vol.11, no.9, Sep.1958, referred to in Dr Hutchisson's letter. I have telephoned to Dr Watson that you are on tour and are expected on 29th. Perhaps you would like to write to him and to Dr Hutchisson. Dr Watson said they they are keen to have your itinerary as early as possible. Watson's letter was received this morning.

The Royal Society have informed that the paper by Dr Sarabhai and ^UU. Rao communicated by you has been accepted for publication in the Proceedings.

continued-----

Ganesa Aiyer has informed that June 1 and 2 have been fixed for interviewing candidates for the scientists pool in the UPSC office at 10 a.m. There are 9 candidates on 1st June and 8 on 2nd

Aligarh University is pressing for the report on the PhD Thesis of P.R.K. Sarma and for fixing a date for the viva.

Mr N.Srinivasan, Industrial Adviser, Min. of Commerce & Industry, has written requesting you to assist them in selecting a physicist to be in charge of testing & quality control in the factory of Hindustan Photo Film Manufacturing Co. at Ooty between June 10 and 12 at Delhi. If you are likely to be away at that time, they would request you to depute an Assistant Director

With respectful regards

yours obediently,
