

U. Roberts, done
N. Delhi. 17. 4. 69

Dear Doctor Krishna.

I am introducing to
you one Mr H. O. Bhaskare Rao who
has studied the refractory aspect of
ceramics. Can you fit him in
some where? My father, who has never
recommended anyone to me, has sent
him on as he is the son in law
of a very old friend of his.

Yours sincerely

S. J. Venkat
