Dear Dr. Krishnan,

my wife & I, young Americans, are at present on a tour (6 months) of India. I am a physical chemist, Ph.D. St. Louis University 1954 (Thesis: Work in Raman Spectroscopy & Molecular Structure),

have already visited several Indian Universities as well as the Indian Institute & of course the Raman Inst. at Bangalore. On our visit to Delhi, ca. 15-22 Oct., I would very much like to visit the Nat'l Phys. Labs.

Perhaps you would be kind enough to drop me a note to US Embassy to tell me what time and/or day a visit would be convenient to you. (Telephone Number?)

Yours sincerely, WJ Dehmann
