The image shows the front cover of a spiral-bound notebook. The cover is black with a heavily cracked and worn texture. At the top, a silver metal spiral binding is visible. In the center, there is a square label with three concentric borders: an outer red border, a middle orange border, and an inner purple border. The text 'Scholar' is written in a white, cursive font on a black rectangular background within the purple border, and 'spiral pad' is written in a white, sans-serif font below it.
