Dear Niranjana,

Sorry for not having written earlier. Due to unforeseen and thankless task, I could not write earlier. I have separately sent an official invitation. I suggest that you could give one lecturer on Refugia/Conservation, Dr. K. N. Ganeshiah on self-organisation and Dr. R. Uma Shankar on Conflicts, Polyembryony. Of course, these are only suggestions. Please feel free to choose anything different.

Convey my regards to everyone.

Thanking you,

Yours sincerely,

K. V. DEVI PRASAD
